How does the Michigan Golf Tour work?

Once you have registered for the tour, you will be giving a complete list of the tour rules along with the season schedule. You are not obligated to play in every event, only the events that you register for. To register

for a event, you visit

www.michigangolftour.us and click on TeeTimeRSVP. Once registered for a event, you are obligated to play unless you cancel 24 hours prior. You are responsible to pay for your golf prior to the event either by check, credit card (via www.paypal.com) or cash the morning of to Antonio Stokes or Chuck Gregory; this is explained more in the rules book.

Pairings will be based on your Flight.

There are at least 3 flights: A (0-14 HI), B (15-20 HI) and C(21 +). Each Flight will crown a champion based on the most number of points earned. The Goal is to qualify for the Champions Cup Championship. There are several ways to qualify – see complete rules after you register.
